

## STAGG WARRIORS START FOR NORTH

Twenty-eight Men Leave Tonight for Minneapolis—  
Final Practice This p. m.

### COACH WILLIAMS PEEVED

"Pans" Men for Missing Signals—  
Pasteboards at a Premium for  
Big Clash.

Coach A. A. Stagg and his hardy maroon football explorers will start their dash to the northernmost camp of the "Big Game" football map this evening, prepared to stand the fiercest siege in the history of Minnesota football. The team will leave for Minneapolis tomorrow at 10 o'clock. A final brilliant rehearsal of the huge repertoire of anti-sophisticated plays yesterday at Marshall field convinced the championship contenders that they could meet Coach Williams' team on even terms.

The practice session sent the Midway hopes up many notches and when the squad gathered in the gymnasium for a last word from the director, Coach Stagg was the only person present who did not express confidence in a brave Chicago showing in the title game. The coach admitted that the drill satisfied him that the attack would be efficient, but he said he still had his doubts regarding the defense.

Twenty-eight players will make the trip. The maroon traveling party will include Director Stagg, Coaches Page, Sauer and Gansler, Trainer Johnson and Captain Norgren, Gray, Kennedy, Pierce, Fitzpatrick, Russell, Harris, Scanlon, Des Jardien, Gostler, Shull, Huntington, Baumgartner, Sparks, Acker, Boyd, Breasted, Couthie, Leach, M. McConnell, F. McConnell, Moulton, Rehm, Redmon, Stegeman, White, Whiting and Williams.

### THE HOSTILE CAMP.

Minneapolis, Minn., Nov. 13.—Minnesota football players were given a severe verbal drubbing yesterday afternoon, when Coach Williams became provoked at the failure of several men to master the signals. The players were slow at getting into position for plays, and seemed to hesitate about the plays. The coach lectured them for 10 minutes, and every man

was ordered to study an hour last night in an effort to assimilate the formations.

With the knowledge that Captain Aldworth cannot play the men are giving their support to McAlmon and a unified machine is gradually crystallizing from individual performers. Solon, an apparent surety for all western end, is working daily on placement kicking, and his boot will be relied on in a pinch for a score by the air route. Shaughnessy will continue work at punting to offset Captain Norgren's toe and Dr. Williams has had Tollofson and Lawler drop kicking all week.

The scrimmage with the reserves developed the fact that the Gophers will give the Maroons a varied attack of tackle shifts, side passes, and open play feature of a dazzling nature.

Manager McBean announced the officials for the big game. Masker of Northwestern will referee, Benbrook of Michigan will be umpire, and Captain Mumma of West Point will act as head linesman.

Pasteboards are so scarce at face value that Mayor Nye took a hand in the matter yesterday and detailed a squad of detectives to watch hotel lobbies and cigar stores for speculators who have cornered seats. Manager McBean has taken every precaution to stop the speculation, but complaints are numerous from alumni and local fans that there are no tickets in sight at normal prices. Tickets in the chamber of commerce yesterday brought \$25. Arrests are looked for by the authorities.

### S. HEIGHTS TEAM TO PLAY SPRING VALLEY

The fast South Heights football team has scheduled a game with the "Hicks Park" aggregation at Spring Valley next Sunday. The locals have entirely recovered from the effects of last Sunday's beating at the hands of the "Muskie's" and will be in tip top shape for the next clash. The team will be considerably strengthened by the infusion of some new blood, and although the suburban warriors realize they will face a tough proposition, they are confident of acquitting themselves in a creditable manner.

### FAMOUS YALE FOOTBALL TEAM OF '88 CELEBRATES

New Haven, Conn., Nov. 13.—A famous football team, Yale '88, celebrated its silver anniversary here last night with Captain William H. Corbin of that eleven, now state tax commissioner, but always "Pap" Corbin to Yale men, as the host. Besides the team members, the guests included Perry W. Harve, who played in the Yale-Princeton game of 1888; Walter Camp, head coach of that team; Ray Tompkins, captain of the eleven of 1889; Robert N. Corwin, captain of the 1887 team; Harry L. Reed, treasurer of the football association of 1887, and Gifford Pinchot of the 1888 squad.

Members of the '88 eleven, nearly all of whom were present at the anniversary, were William G. Rhoads, right tackle, Cleveland, Ohio; George C. Woodruff, right guard, New York, former United States court judge; W. H. Corbin, center, Hartford, W. V. ("Pudge") Redefinger, left guard, Minneapolis; Rev. Charles C. Gill, left tackle, Harland, Vt.; Frederick W. Wallace, left end, Plainfield, N. J.; Dr. William C. Wertenburg, quarterback, New Haven; Lee McClung, right halfback, New York, former United States treasurer; Dr. William P. Graves, left halfback, professor in Harvard Medical school; Dr. William T. Bull, fullback, New York.

### THOROUGHbred RACER IS SOLD FOR 50,000 WASHERS

Lexington, Ky., Nov. 13.—J. E. Madden, proprietor of Hamburg Place, has sold to James B. Haggin, master of the Elmendorf Farms, the thoroughbred racer Ballot. The price paid is said to be \$50,000. Ballot is by Imp. Voter out of Imp. Cerito, and was bred at the Castleton farm of the late James B. Keene.

As a 2, 3, 4 and 5 year old he won over \$100,000 in stakes and purses for his owner. He was later sent abroad with the Keene stable and raced with fair success in England and France.

About a year ago he was purchased from the Keene estate by J. E. Madden for \$30,000 and returned to this country and placed in stud at Hamburg Place.

**Notre Dame at Work.**  
Notre Dame, Ind., Nov. 13.—After a five days' vacation Harper's warriors came out of their camp yesterday to begin working for the last two games on the schedule. A snow-covered field prevented out-of-door practice and the squad met in the gym. Blackboard discussion of the eastern methods of attack and defense included the whole program.

**Gambler Draws Time.**  
Louisville, Ky., Nov. 13.—Penalties for the forging and cashing of pari-mutuel tickets during the recent race meeting at Douglas park were assessed in the criminal court yesterday against three men. A. L. Fry, claiming to be from Virginia, pleaded guilty after the evidence had been submitted and was given an indeterminate penitentiary sentence of from one to five years.

Springfield, Ill.—The status of hundreds of cases based on the 1911 workmen's compensation act which was declared unconstitutional by Judge Craighead in the Sangamon county court was further complicated Wednesday when the plaintiff in the action demanded his proceedings, having effected a settlement out of court. As a consequence of the settlement, the case will not be carried to the supreme court.

## "WE WILL NEVER BE WITHOUT IT"

Mrs. Margaret Knapp, of Detroit, Mich., says: "Three years ago I had a severe attack of bronchitis. My doctor ordered me to bed for four weeks. A friend advised me to try Father John's Medicine, which I did. And after using it I was entirely relieved. My son Elmer, whose picture you find with me, has been having a standing cold since November. I finally persuaded him to take Father John's. He is rid of his cold, and his cough has almost entirely left him. His appetite has increased nicely since taking Father John's Medicine. We highly recommend Father John's Medicine for all colds, coughs and bronchitis. We will never be without Father John's Medicine in our home." (Signed) Mrs. Margaret Knapp, 39 Amherst St., Detroit, Mich.

Hold's you up because it is all pure nourishment and free from weakening nerve-debilitating drugs and stimulants. (Adv.)

## Eyes Examined Without Drugging

AN OPTOMETRIST is one who prescribes and fits glasses without the use of drugs or surgery. Optometry is NOT founded on medical science, but on OPTICAL science. A lens treats LIGHT, not disease. Only optically incompetent practitioners drug healthy eyes. This method is not only dangerous, but painful, and it is only by a miracle if the glasses thus prescribed prove correct. We have brought relief and happiness to thousands of people by employing our scientific knowledge for the correction of defective vision. We use no drugs or "drops" of any kind in our examinations.
